Forecast for Thursday 19 Nov 2020

Weather: A few light snow showers in the morning, mainly over Lochaber and the west coast. Most places dry with some sunshine from late morning. Some clear periods at first in the evening but clouding over with some light rain and snow above 600m arriving from mid to late evening. Bitterly cold especially in the morning.

Chance of cloud free mountain/hill tops above 800m: 80% in morning with chance of some hill fog patches in showers then 90% in the afternoon with well broken, and fairly high cloud bases. Chances falling to 20% in from late evening.

Visibility: Generally very good by day, with very brief slight reductions in light showers. Falling moderate to poor late evening.
